

Announcement list for the Management Meeting on 21 January 2026

13.1 Briefing on the preliminary programme for the thematic management meeting on 4 February

It was previously planned to hold the thematic management meeting on 4 February as a full-day and possibly evening event in Copenhagen, but due to other meetings and activities, the Executive Committee has decided that we will hold the meeting at Risø from 10:00 to 15:00.

At the thematic management meeting, we will begin work on the upcoming strategy. The working group is currently preparing the programme and workshops for the day. More information will follow.

13.2 Opportunity to participate in Folkemødet on 10–14 June

Carsten has booked a tent site at a campsite approximately 30 minutes by bike from Allinge, as well as ferry transport to and from Bornholm from 9–14 June. If anyone is interested in participating in Folkemødet, this is an opportunity to join.
