On the Go: Navigating Your City

1. I have read the Letter of Information and have had any questions answered to my satisfaction.
2. I understand that I will be participating in the study called *On the Go: Navigating Your City* (an EU Horizon 2020 Research Project) led by Anne Jensen who is the principal investigator of Task 4.3. I understand that this means, that I will be asked to complete a survey via Maptionnaire app and website (developed by Mapita), but all data is owned and exclusively used by the researchers at Aarhus University.
3. I understand that each survey will take about 10 to 12 minutes.
4. I understand that I need to be 18 years or older to participate in this survey or study.
5. I understand that digital records will be saved to encrypted devices and stored on a secured server at Aarhus University.
6. I understand that my participation in this study is voluntary and I may withdraw at any time.
7. I understand that every effort will be made to maintain the confidentiality of what I say now and in the future. Only the aforementioned researchers will have access to my survey data, and personally identifiable data will never be published, presented or otherwise shared.
8. I understand, that my anonymised data solely will be used for research purposes.
9. I understand that the results from this survey will be published in international scientific journals and/or presented at scientific conferences. All presentations will be of general findings only and will not be person identifiable..
10. I understand that if I have any questions, concerns, complaints or ethical concerns about the study, I can contact the researchers via paa-vej@envs.au.dk
